ZÜRICH AIRPORT

Sunrise

Your exclusive employee discount.

As an employee of Zurich Airport you can now enjoy an exclusive deal from Sunrise. You can now get 40% off your monthly rate on all Sunrise Freedom subscriptions.

This is how it works:

Consultation and purchase

Please contact us at the Sunrise shop in the airport for further information. Simply bring your airport ID card with you when you come by to sign up for a subscription, so we can identify you as an airport employee.

Airport employees without an airport ID card need to bring along a valid work contract and an ID card/passport, in order to conclude a mobile telephone contract.

You can benefit even more now.

The employee discount for Zurich Airport can be applied to up to five mobile phone subscriptions. The only condition is that all subscriptions are registered and billed under your customer number.

The discount cannot be combined with other special offers from Sunrise and becomes void when the employment contract with Zurich Airport has ended. The discount is non-transferable.

The unlimited mobile subscriptions without minimum contract duration.

Sunrise Freedom.
